Introduction: A love / hate relationship: -
love: the solid foundations
hate: what men have done to it

- a Christ-centred church which is biblically focussed
- a church that is Catholic and Apostolic as expressed in the Creeds
- a church that is a worshipping community expressed liturgically
- a church that is compassionate expressed pastorally and evangelistically

2. The Side-tracks Anglicans Have Taken

- abandoning the foundations but keeping the form
- abandoning the call to Christ-like living
- Evangelical Anglicanism – Sydney-style
